

Love's Farm House

Terms and Conditions of Use

These terms and conditions apply to all hiring of Love's Farm House and are part of your agreement for hire.

1. Payment and bookings

You must pay Love's Farm House the hire fee, the refundable deposit and any security charges specified in your agreement to hire.

You must pay Love's Farm House your refundable deposit if applicable on or within 5 days of the date of your agreement to hire. Your booking will be provisional until the refundable deposit payment has been received and, if paid by cheque, cleared.

We will refund your refundable deposit, subject to any reduction due to cancellation charges, cleaning charges or other additional charges (see further detail below), within 14 days of your event or the last hire date of an ongoing booking.

You must pay hire fees and security charges (if applicable) in the timescale specified in your agreement to hire:

- For single event bookings this is no later than 14 days before the date of your event if paid in cash, by BACS transfer or through any online payment system provided on our website or no later than 21 days before the date of your event if paid by cheque. If your event booking is made at short notice (within 14 days of the event) we may require payment in cash. Your booking will revert to being provisional if you do not pay us the relevant charges within the agreed timescale.
- For ongoing bookings invoices will be sent on the first day of each calendar month for use in that month and are payable within 30 days.

Bookings

All booking must start and end either on the hour, at quarter past the hour, at half past the hour or at quarter to the hour.

Party hirers must hire the whole building on an exclusive use basis only. This includes use of the hall, kitchen, garden, foyer and the meeting room if requested (an Exclusive Use Booking).

Ongoing bookings must have an agreement to hire for each quarter and book by the following dates:

1st November for Quarter 1 (January to March)

1st February for Quarter 2 (April to June)

1st May for Quarter 3 (July to September)

1st August for Quarter 4 (October to December)

Cancellation fees will apply to any weeks agreed but not used at the rates set out below.

Additional charges

You will compensate Love's Farm House for any loss incurred as a result of your breach of your agreement for hire (including these terms and conditions) and appropriately for any loss of reputation (including loss of income).

We will deduct any additional charges not paid as part of your hire fee from your refundable deposit, however, if your refundable deposit is not sufficient to cover all additional charges, you must pay us any excess no later than 7 days after we inform you of any additional charges payable.

2. Cancellation

Cancellations should be notified to us as soon as practicable. You will be invoiced for the following cancellation charges in the event of cancellation, or they will be deducted from your deposit or hire fee if a deposit or hire fee has already been paid:

- more than 28 days' notice: 25% of hire charge;
- between 14 and 28 days' notice: 50% of hire charges; and
- less than 14 days' notice: 100% of hire charges.

These charges may be reduced or waived, entirely at the discretion of the trustees, if a replacement booking is made for the same time as your cancelled booking.

We reserve the right to cancel any booking in the event of:

- Love's Farm House being used as a polling station for elections; or
- Love's Farm House being used as an emergency shelter; or
- The trustees reasonably considering that your event may lead to a breach of legal or statutory

requirements, or unlawful or unsuitable activities will take place in Love's Farm House as a result of your event; or

- To carry out essential repairs or maintenance; or
- The intended use is not possible due to circumstances outside the control of the trustees, breach of the lease or notice from the landlord; or
- Love's Farm House becoming unfit for your intended use;

and in these events any payments you have already made to us will be refunded.

3. **Overruns, Cleaning and Tidying**

You must leave Love's Farm House, cleaned and tidied, by the departure time specified in your agreement to hire. If you overrun, additional hire charges will be payable at the rate of £10 per 5 minutes, rounded up to the next 5 minutes. If ongoing bookings repeatedly overrun, then Love's Farm House may, at the discretion of the trustees, cancel all future bookings and any outstanding hire fees (including due to forced cancellation) shall be deducted from your refundable deposit or be immediately payable.

If Love's Farm House is not sufficiently clean and tidy, you will pay us a £25 fee and, if applicable, refund us for the excess over £25 of additional cleaning fees incurred and reductions given to other hirers due to Love's Farm House being dirty/untidy.

You must ensure that the rooms you have used are left clean and tidy for the next hirer including (but not limited to) the following:

- You must dispose of all rubbish in the appropriate bins.
- You must sweep floors (and mop them if there were any spillages). Brooms, mops, buckets, dustpans, etc. are kept in the kitchen or cleaners' cupboard.
- You must check the toilets and clean them if necessary. Cleaning equipment can be found in the cupboard located in the kitchen or in the cleaners' cupboard.
- You must turn off all lighting and electrical equipment at the end of the hire period. Please do not touch the heating as it is controlled remotely.
- You must return furniture to its proper place unless you are physically unable to do so. If you have used furniture from another room, it must be returned to its proper place in that room (unless that room is in use, in which case it should be stacked neatly to the side of the room). You must observe any notices

regarding the placement of furniture and how it should be stacked.

Any unauthorised equipment left at Love's Farm House following a booking will be disposed of within 72 hours.

4. **Use of Premises**

You shall not use Love's Farm House for any purpose other than that described in your agreement for hire and you shall not sub-hire or allow Love's Farm House to be used in any unlawful way or for any unlawful purpose. You shall not do or fail to do anything that may endanger Love's Farm House or the persons within it or render invalid any insurance policies in respect of Love's Farm House.

Limitation of Liability

The trustees of Love's Farm House will not accept liability for any loss (including any loss of revenue) or injury sustained by you or your guests unless and only if it is attributable to the trustees' (or their authorised representatives') gross negligence.

Hirers must understand that there are a number of different groups using the Premises and sharing the storage spaces. However Love's Farm House cannot guarantee that Wi-Fi access will be available at all times. By allowing anyone you are responsible for as a hirer to use the Wi-Fi during your booking you confirm that they are 18 years or over or have the permission of their parent or guardian to use the Wi-Fi. You agree that you will not use the Wi-Fi for, and that you will take all reasonable precautions to ensure that anyone you are responsible for as a hirer does not use the Wi-Fi for, any unlawful, fraudulent or malicious purpose.

Use of the Foyer

Other than for Exclusive Use Bookings, hirers agree that the foyer is a shared space which may be used by all hirers and also by members of the public at certain times when the building is staffed by a representative of Love's Farm House. Hirers may use the foyer area during their booking provided that they ensure that they do so in a manner that is respectful and accommodating to other users. Any concerns about hirers or members of the public using the foyer in a manner which does not comply with the shared space ethos should be reported to the Administrator of Love's Farm House.

Loss and damage

You will compensate Love's Farm House for the cost of repair of any damage (however slight and whether malicious or accidental) done to any part of Love's Farm House and any loss suffered by Love's Farm House as a consequence of your activities as a hirer or the activities of anyone you are responsible for as the hirer or anyone that you

allow access to the premises. This includes (but is not restricted to) damage to the premises, garden, fixtures, fittings, furniture and equipment, call-out fees for false fire alarms, compensation for successful claims by third parties, reasonable professional fees in relation to claims by third parties and loss of income. Our insurance company may take steps to recover from you the cost of any malicious or accidental damage or loss caused.

Noise

All bookings must end by 10:45pm (Mondays to Thursdays) or 12:30am (Friday and Saturday nights and nights before bank holidays). You must ensure that noise is kept to a minimum and members of your group leave the premises quietly in the evening so as not to cause annoyance to residents in the locality of Love's Farm House. If a noise limiter is installed in Love's Farm House, we will provide you with information on further noise limits that you must comply with any penalties for non-compliance.

Supervision, Safeguarding and Equality

The person whose name appears on the booking form will be deemed to be responsible for the meeting/event and will be expected to be in attendance throughout. You are responsible for the actions of people you admit to Love's Farm House as part of your booking, or who gain access to Love's Farm House because you fail to control access properly.

Hirers who use the building when there is no Love's Farm House representative on-site are responsible for ensuring that only authorised persons gain access to the building. In particular hirers must ensure that the magnetic locks on the entrance doors are set to "Exit Only" mode at all times during their use, with access controlled via the doorbell only.

Love's Farm House expects that all its hirers will have a commitment to safeguarding children, young people and vulnerable adults.

Children should be properly supervised at all times. You shall be responsible for ensuring that any activities for children are carried out in accordance with all laws and child protection regulations and that only fit and proper persons have access to children while they are in Love's Farm House. The entrance foyer and toilets in Love's Farm House are shared access and other groups may be using Love's Farm House at the same time as you so if your group contains unaccompanied children you must be aware of and comply with all associated safeguarding requirements.

Posters and copyright

You shall not carry out or permit fly posting or any other form of unauthorised advertisement for any event taking place at Love's Farm House. You will compensate Love's Farm House for any loss arising from any action, claims and proceedings arising from fly posting or any other form of unauthorised advertisement for any event taking place at Love's Farm House. Access to noticeboards within Love's Farm House for advertising events will be available subject to space.

You must obtain the permission of Love's Farm House to use our logo on any advertising material and you will comply with all copyright laws in connection with your use of Love's Farm House.

Fire Precautions

You must read and comply with the fire notices posted throughout the building. A copy of the standard notice will be supplied to you on request. You should familiarise yourself with the fire alarm points, the location of extinguishers and the available escape routes.

You must not prop any fire doors open, obstruct any fire doors or escape routes, damage any fire safety equipment, cause any dangerous accumulations of combustible materials to occur, or do anything likely to cause a fire risk.

In the event of a fire, your primary responsibility is to ensure the rapid and safe evacuation of the members of your group in the building.

If you know that a false alarm has been raised (for example, because you or a person you have allowed access to has accidentally triggered the alarm) you must call the number provided on the alarm panel in the front lobby and follow their instructions.

You must contact us using one of the emergency numbers on the fire notices if there has been a fire

alarm, even if it was a false alarm (the building may not be properly protected until we have completely re-set the system).

You must inform an authorised representative of Love's Farm House if any of the fire extinguishers have been used, whether deliberately or accidentally.

Security

Should the trustees deem that additional security is required for your event you will be duly notified at the time of booking and appropriate, additional charges added to your hire fee. When you leave Love's Farm House, you must check that all members of your group have left the building and garden before the Love's Farm House authorised representative closes and locks all doors.

Alcohol

You must tell us if you intend to provide alcohol in Love's Farm House for a daytime party or event. We will not permit the provision of alcohol if it is not properly licensed, or breaches our licence, or if in our view it would not be desirable. If alcohol is required for an evening party it must be provided by Love's Farm House through the hire of the Love's Farm House Bar. Hirers may not sell alcohol on the Premises at any time other than by way of hire of the Love's Farm House Bar.

You shall not permit consumption of alcohol on the public highway outside Love's Farm House at any time.

Provision of Food to the Public

You must tell us if you intend to provide food to members of the public during your event. If food is to be provided to the public you must ensure that you and anyone else who will be preparing the food holds a Food Hygiene Certificate at the appropriate level. Food containing nuts or other known allergens must be clearly labelled.

Additionally you must hold your own suitable public liability insurance cover for the event. Your booking will not be confirmed until you have provided Love's Farm House with copies of your Food Hygiene Certificate(s) and Public Liability Insurance.

All hirers intending to provide food to members of the public must follow the food hygiene regulations set out by the Food Standards Agency, the current guidelines for which can be found at <http://www.food.gov.uk/business-industry/catereers/sfbb/sfbbcaterers>

Garden

The garden is an escape route from the building. You must not obstruct any fire escape routes with vehicles or any other obstructions, lock or obstruct the garden gates, let off fireworks or operate a barbecue in the garden without prior consent

Parking and Vehicle Access

Love's Farm House has two dedicated parking spaces in the adjacent car park and shares use of two disabled and three further unrestricted spaces with the attached pre-school. The football club pay and display car park is also available for public access and St Neots station car park is a 5 minute walk across the footbridge. Please be considerate to our neighbours and do not park in a way that will obstruct residents' parking or through routes.

Smoking

It is illegal to smoke in Love's Farm House. Smoking is only permitted outside at least 5m away from any door to the building. You may not smoke in the garden when the preschool that shares the building is operating.

Your Equipment and Decorations

You must obtain our agreement in advance if you intend to introduce any materials or equipment into the premises (including the garden) that might introduce a safety hazard, cleaning problems or inconvenience to other users; for example straw, hay, sawdust, flammable drapes, glues, paints, cooking equipment or equipment that consumes power in excess of 230W. We may refuse permission to introduce these items or impose additional conditions on your hire to mitigate hazards.

We regret that balls (including soft or sponge balls), nerf guns and similar equipment are not permitted for use inside the building because of the risk of damage to the windows, light fittings, disco lights and acoustic panels.

Smoke machines may trigger our fire alarm system. You must inform us if you are considering using smoke machines in the premises and we will advise whether use is permitted.

If you intend to introduce decorations or signs into the building, you must tell us about this.

Any decorations must be fitted by using masking tape only, and you must remove them at the end of your booking.

You must not use permanent or semi-permanent fittings, for example nails, screws and staples. You must not use drawing pins other than on the designated display boards- they are easily lost and are dangerous to small children. If drawing pins are used they must be collected up after use.

You must not attach anything to electrical wires, gas or water pipes, or electric, gas or water fittings.

Bouncy Castles

Hirers wishing to use a bouncy castle on the Love's Farm House premises must ensure that either:

- (a) the castle is supervised at all times by an insured attendant from the castle hire company (this will normally incur an extra charge from the castle hire company); or
- (b) they have signed the Love's Farm House Bouncy Castle Supervision Form and comply with all the terms therein.

You must inform us in writing (please email bookings@lovesfarmhouse.co.uk) that you intend to use a bouncy castle as soon as possible after making the booking and at least one week before the event date, so that we can inform our insurer. This applies whether the bouncy castle hire company or the Hirer will be supervising the bouncy castle. You will not be allowed to use a bouncy castle unless these conditions are met, and no refund will be offered to cover the cost of the castle hire or hall hire.

Health & Safety

Your use of any item of electrical equipment brought onto the premises must be agreed in advance with the trustees of Love's Farm House. Please note that such equipment must either be less than 36 months old or have passed a Portable Appliance Test (PAT) carried out by a qualified person within the last 36 months. Use of cable tidy covers (or similar) must be used for any trailing cables as they are a trip hazard.

You must ensure that your activities, levels of supervision, working practices and equipment comply with current health and safety legislation and guidance.

You must make reasonable provision and take reasonable care at all times for the safety of yourself and all others who might be affected by your actions.

Accidents

All accidents or near-accidents must be notified to Love's Farm House either to any available member of staff, in writing to the trustees or via email to bookings@lovesfarmhouse.co.uk so that we can try to prevent any re-occurrence and you must complete the relevant section in the Love's Farm House accidents' book.

There is a first-aid box in Love's Farm House. You must notify Love's Farm House if you use any supplies so that we can re-stock.

If there is no member of staff available, you should send a note of the accident and/or use of first-aid supplies to bookings@lovesfarmhouse.co.uk.

Certain types of accident or injury must be reported on a special form to the Local Authority – Love's Farm House will give assistance in completing this form. This is in accordance with the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995.
